*Statistics for the current quarter and biennial were obtained from License2000 on 4/07/06. Information in the L2K system is updated nightly and therefore is one day behind, reflecting the ending numbers from the previous day.																			
*The number of license renewals is calculated by counting the number of renewal fees posted in the specified date range. Non-renewals are calculated by counting the number of licensees whose expiration date falls into the specified range and from whom no renewal fee was received.
